Superintendent of Schools

Mr. John E. McCarthy

To the class of 1985:

On this occasion, the culmination of your education in the Town of Swansea, it is with the utmost pleasure that I extend my congratulations and best wishes for success and happiness to the Class of 1985.

One of the highlights of the 1984-85 academic year was the visit by Governor Michael S. Dukakis to Joseph Case High School. One of the points emphasized by the Governor in his remarks to the students was the present strength of the economy in Massachusetts and the opportunities available to the young people in the Commonwealth. I urge you to take advantage of your natural abilities, develop your skills and seek out the opportunities that are available to you.

The Town of Swansea has made a sincere effort to provide you with a sound elementary and secondary education. Now it is up to you to build on this foundation and complete the structure for your life. I encourage you to be enthusiastic, persevering and determined in attaining your goals in life.

THE OFFICE OF THE SUPERINTENDENT OF SCHOOLS

Members of the Class of 1985:

Best wishes for a productive and prosperous but meaningful future.

Manager of Instructional Services

Mr. Paul F. Monahan

SCHOOL ADMINISTRATION

Principal

Mr. David Jardin

Dear Graduates:

Rob May once said that "Imagination is the capacity to dream dreams and see visions." Nothing is as empty as lives filled with consuming loneliness and gnawing regrets about what might have been. The poetry and songs of centuries echo in many ways the human calamity of unfilled hopes and shattered dreams.

No such despair should fill the Class of 1985. Use your imagination to dream and use your resources to fulfill those dreams and visions. In doing so, discover your best talents, skills and abilities and apply them where they will make the most effective contribution to your fellow man. Accept the challenge of the difficult. In the inspiring words of Phillip Brooks, "Do not pray for tasks equal to your powers. Pray for powers equal to your tasks."

On behalf of myself and the faculty and staff at Joseph Case High School, I wish to each and every one of you the happiness of a productive life, the respect of your fellow human beings, and the love of your family. May the future be yours.

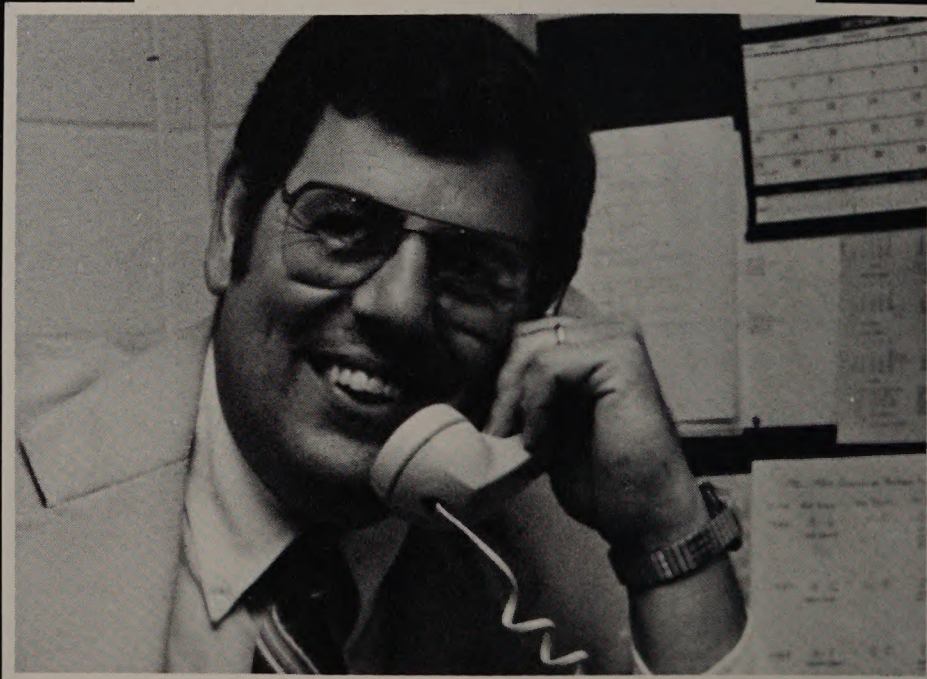

"The Best of Luck" and congratulations to the Class of 1985.

To the class of 1985:

For the past four years the faculty and administration of Case has made a sincere effort to prepare you for your future.

It is my hope that you reach and surpass your goals with dedication and responsibility. I wish you the "Best of Luck," and remind you that luck is what happens when preparation meets an opportunity.

EXCHANGE STUDENT PROGRAM

Shalom, My name is Alona Attia. Last year at my high school in Israel, I applied to come to America as an exchange student. I live in a big town named Perach-Tikva, which is near Tel Aviv. Some of my favorite activities are swimming in the Mediterranean Sea, dancing in Tel Aviv, shopping outdoors in a marketplace, and using bus transportation daily.

The organization that sponsored me is "Open Door" which is part of the American Field Service based in New York. Many of my friends traveled to America with me. I was assigned to be hosted by a family in Swansea.

I love Swansea—especially the beautiful rivers, Swansea Mall, McDonald's, hot oatmeal, Thanksgiving dinner, super highways, school dances, and football games.

Schoolwork is much more difficult for Israeli teenagers but we know how to combine pleasure with work. Every student who wishes to enter the university must take an important graduation exam first. After two years in the Israeli Army, students can then begin their studies in college. These are my future plans also.

Being a senior at Case was a most enjoyable experience. The teachers were kind and friendly. The most impressive differences between Case and my high school in Israel are the colorful after school activities such as drama, sports, band, cheerleading, and the yearbook. Unfortunately, I was not here for the prom.

I will always remember the wonderful friends I have made and I invite all of them to visit me in Israel. Thank you very much.

Shalom,
Alona

"May all your words be words of pleasantness, and all your paths peace."

GOOD-BYE AND GOOD LUCK

First row, left to right: Kim Simcock, Kris York, Paula Freiras. Second row, Donarae Correia, Lynne Rochon, Lisa Robinson, Marsha York. Third row, Pam Mirchell, Karen Jelinski, Lisa Furrado, Lisa Gagnon.

Sometime, when it's all over—
You'll remember and realize . . .
You can't live these four years over
So make the times to come worth it.
Make them better than yesterday
But strive for excellence tomorrow.
Live life now—
more than ever.

Was it worth it?
Did I gain anything in
the twelve years that I've
spent here?
And where will it lead me?
Up? Down? Away
Into a new life or
Away from the ones I love?
Is my decision right?
College? Career?
When will I know if my future
Has been decided?
Now or when I step
Out the door?
Who will know?
Not I—until I decide.
